F-A-N THE ROUTES OF THE FRANKOPANS Grobnik Castle

“The Routes of the Frankopans’ cultural tourism project is inspired by the legacy of the Frankopans, a famous Croatian noble family who left numerous traces of their influence and power in the area of present-day Primorje-Gorski Kotar County in the period from the beginning of the 12th century until the second half of the 17th.

They wanted everything: personal power, reciprocated love, a blessing from heaven, and their own state. Borders did not exist for them. Space would just open up in front of them as they observed it from the walls of their castles.

And then a border appeared after all – at the least convenient moment.

Dear readers, doesn't this sound like an introduction to a dramatic story from national history? This is the story of the Frankopan noble family, whose origins were on the island of Krk. In fact, it's a number of stories about them that took place over centuries. To follow the routes of the Frankopans means to take a journey across a vivid, authentic landscape built by this family in the areas of Krk, Vinodol and Gorski Kotar.

The castle was first built in the Early Middle Ages, with frequent annexes and extensions added, especially during the time of the Frankopans and Petar Zrinski. The core of the castle has a triangular ground plan with towers at the corners, of which the south-western one has been preserved.

The castle today hosts 'The Routes of the Frankopans' interpretation centre.

In the vicinity of the castle, there are also...

sports and recreational facilities

Kamenjak and Vela Peša climbing routes, ski slopes and sledding area at Platak

walking trails

cycling trails on Platak

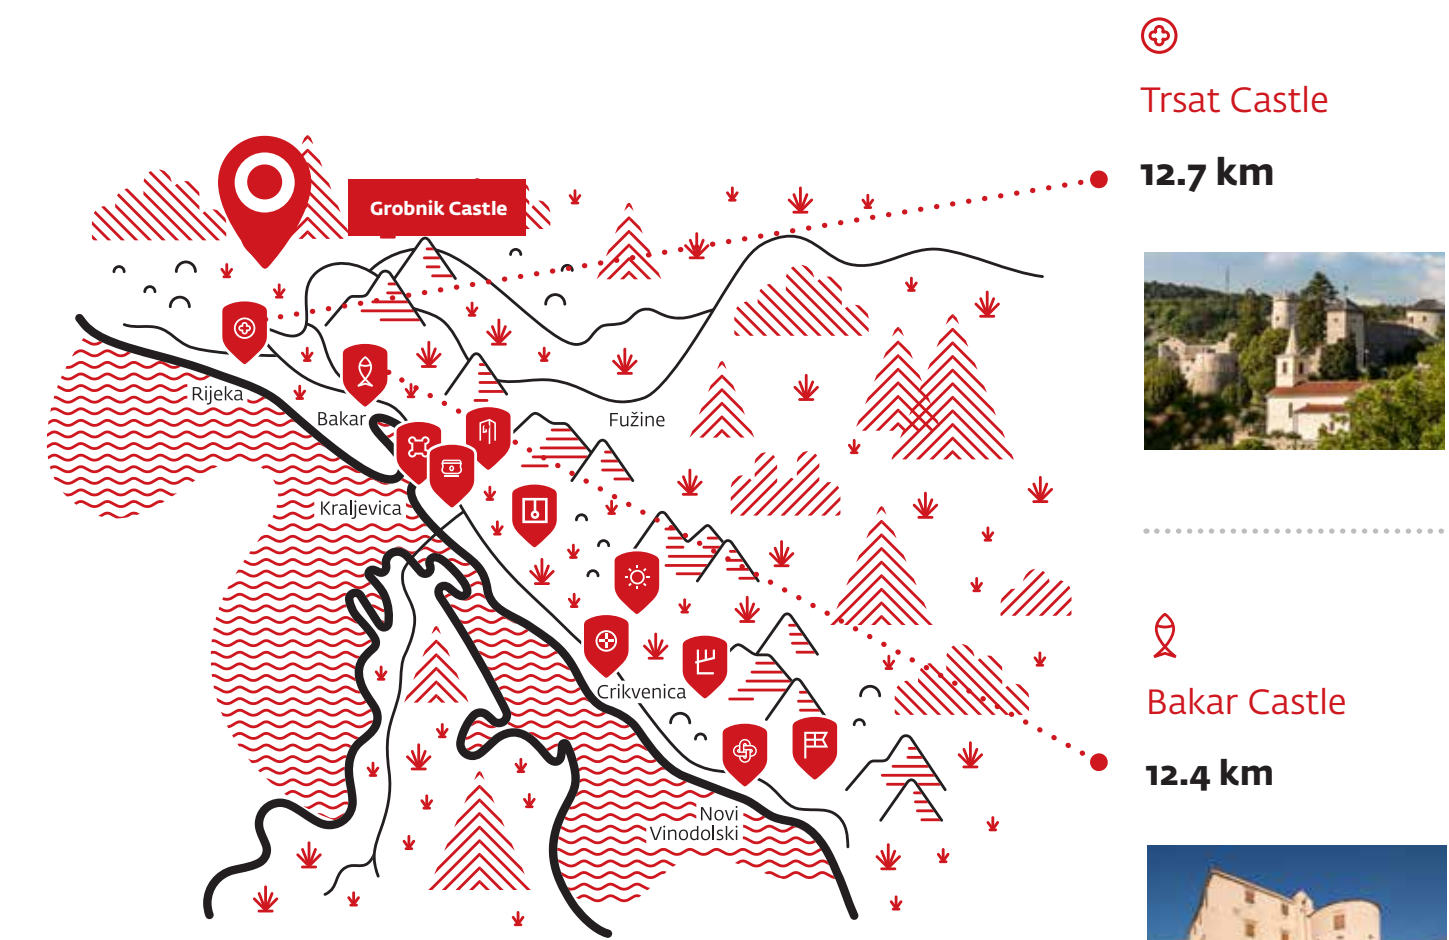

Filipja – Wine & Pršut Day

Every year on the first of May, the castle hosts the Filipja event, during which visitors can sample various wines from all over Croatia and pair them with delicious culinary specialities.

The Primorje-Gorski Kotar County cultural-tourist project 'The Routes of the Frankopans' was co-financed by the European Union from the European Regional Development Fund.
